About this Release

ABOUT THIS RELEASE

Presents details of housing-related statistics produced by both government and non-government sources. The directory is intended to acquaint users with the wide range of housing-related data currently available. It is also useful as a reference guide which allows users interested in housing-related data to locate quickly and easily the statistical information they need. Data entries are organised by broad subjects. Entries include the name of the organisation, a detailed description of the data collected, the purpose of the collection, the geographic area covered by the collection as well as the frequency and method of collection.
